Incident Narrative

On November 3, 2011 the Washington Township Police Department was awarded the "*Model Agency Award*" by the New Jersey Public Safety Accreditation Coalition (NJPSAC) during its annual training conference at Princeton University. The award not only represents the high standards set forth by the law enforcement accreditation partnership between the New Jersey State Association of Chiefs of Police (NJSACOP) and the Commission on Accreditation for Law Enforcement (CALEA), but also the Washington Township Police Department's commitment to adhering to these standards.

The award was received by Chief Rafael Muniz on behalf of all of the men and women of the Washington Township Police Department. Chief Muniz is extremely proud of the men and women of the department and their efforts to ensure the community is served by a professional law enforcement agency.
